**MINERAL MOUNTAIN RESOURCES LTD. ANNOUNCES
THE APPOINTMENT OF T. BARRY COUGHLAN TO THE BOARD**

(Vancouver, December 30, 2014) – Nelson W. Baker, President and CEO of Mineral Mountain Resources Ltd. (“**Mineral Mountain**” or the “**Company**”) (TSXV: “**MMV**”) (OTCQX: “**MNRLF**”) announces the appointment of T. Barry Coughlan to board effective immediately.

Mr. Coughlan is a self-employed Vancouver based businessman and financier who over the past 30 years has been involved in the financing of private and publicly traded companies. His principal occupation is President of TBC Ventures Ltd., a private investment company, which provides management, technical and financial services to a number of public companies. Throughout his career, Mr. Coughlan’s strengths have been the identification, negotiation and the securing of viable resource projects worldwide, coupled with an intimate familiarity with all aspects of financial transactions and the domestic and international capital markets as they relate to resource companies.

Mr. Coughlan is presently a director of five publicly traded companies.

“Neither TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.”

This release includes certain statements that may be deemed to be "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "could" or "should" occur. Forward looking information in this news release includes, without limitation, all statements regarding the completion of future

tranches of the Private Placement and the use of proceeds of the Private Placement. Although the Company believes the expectations expressed in such forward looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. Factors that cause the actual results to differ materially from those in forward-looking statements include gold prices, results of exploration and development activities, regulatory changes, defects in title, availability of materials and equipment, timeliness of government approvals, continued availability of capital and financing and general economic, market or business conditions. The Company cautions the foregoing list of important factors is not exhaustive. Investors and others who base themselves on the Company's forward-looking statements should carefully consider the above factors as well as the uncertainties they represent and the risk they entail. The Company believes that the expectations reflected in those forward-looking statements are reasonable, but no assurance can be given that these expectations will prove to be correct.
